[Comanche Moon \(Comanche, #1\) by Catherine Anderson](#)

Comanche Moon is the kind of epic love story that they just don't write any more. Of course, as my friend Lady Jayne pointed out, they apparently didn't write them even when this book was published. I cannot imagine what editors were thinking when they asked author Catherine Anderson to change her story if she wanted to sell it, but we should be very grateful that she didn't listen.

NOTE: Catherine Anderson is excited to present the reissue of COMANCHE MOON, the first book in the Comanche series, an all-time favorite of legions of readers and also the story that Catherine feels launched her writing career. This book, originally published in 1990, has been out-of-print and very difficult to find for many years. Original editions can be very expensive.
