These images may be published in any manner, including (but not limited to) calendars, advertisements

Model Releases: What You Need to Know (With Samples)

That's why I always suggest that photographers play it safe and get a model release whenever someone is recognizable and clearly the subject of the photo. You just never know what money-making images might be lurking in your archives until someone comes looking for them. It's always easier to get it first, rather than to retrace your steps later and hope for the best.
