[Top 7 Tips for PMP Exam Preparation | Simplilearn.com](#)

The Project Management Professional (PMP) exam is tougher than most, requiring extensive preparation over the course of many months to pass. There is a lot of material to absorb, and you will need to be able to master the practical application of that information. If you are among those who are already well established in your career, it may have been years since you last studied for an exam, so

your study skills may be a little rusty.
