The Ember-the only city in the world, as far as the residents know. The sky is always black, and there are no stars or moon. If the lights fail, there is total darkness. And that's something that has been happening more often lately, the lights failing. Lina and Doon, two young residents, just out of school at 12 years old with their first jobs, discover that things in Ember are even worse than everyone thinks, and they try to discover a way out of the coming darkness. The City of Ember by Jeanne Duprau is the first novel in a series set in a post-apocalyptic, subterranean city called Ember. It had been built to allow its inhabitants to survive for at least 200 years, but now is crumbling and decaying. [READ The City of Ember \(2004\) Online Free, ReadOnlineNovel ...](#)

The City Of Ember (2004) About book: 28/12 - I had a whole plan of what I was going to read, and when, going into the new year, but this has thrown a wrench into those plans. I had been looking forward to reading this for months, watching as it moved its way up through my suspended holds list, finally reaching the top yesterday. The city of Ember was old, and everything in it, including the power lines, was in need of repair. So now and then the lights would flicker and go out. These were terrible moments for the people of Ember. As they came to a halt in the middle of the street or stood stock-still in their houses, afraid to move in the utter blackness, they were reminded of something they preferred not to think. Can the people of Ember be saved from their crumbling city? Actress/teacher Dillon gives a fully voiced reading. Old people are just as convincing as the youngsters; the mayor is wheezy as he pontificates, and Line is a competent 12-year-old heroine.
