[ABOUT THE BOOK The Shadow Effect](#)  
Until we accept all of who we are, the shadow effect will have the power to impede our happiness. If left unacknowledged, the shadow will stop us from being whole, prevent us from achieving our best-laid plans, and leave us living half a life. It is our hope in writing this book that we will bring the shadow into the light. There has never been a better time to create a new lexicon, to illuminate the shadow, and to nally understand what's been so difficult to see and hard to explain.
